

# Washtenaw Estate Planning Council

## 2020-2021 Sponsorship

The WEPC is a Michigan non-profit corporation. Its mission is to:

1. Promote cooperative efforts in the fields of estate and business planning among the professionals and business enterprises represented by the members, always keeping in mind the interests of their clients,
2. Engage in study, discussions, meetings and additional activities which will continuously improve their combined services,
3. Promote respect and understanding of the members, and
4. Promote understanding of financial and estate planning matters among the public.

### Sponsorship Opportunities:

Quarterly events are conducted to educate its members on topics relating to current estate and business planning issues. Corporate sponsorship opportunities are available and are structured to provide recognition and exposure for participating companies.
